

PRESS RELEASE

## **WISAG is the new ground handling agent for DHL in Cologne**

**Frankfurt, 29th November 2019 – From December, WISAG Ground Service Köln GmbH & Co. KG will handle all of the airline's flights.**

WISAG Aviation Service is expanding its business at Cologne/Bonn airport. From December, the company will load and unload all cargo planes of DHL, Germany's largest company for post and air freight. WISAG Ground Service Köln GmbH & Co. KG employs 170 people. Due to the new contract the company will be expanding its workforce. The airport of Cologne/Bonn is one the biggest DHL airfreight bases in Germany. WISAG has been handling agent in Cologne since 2015.
